Looking for a venue which radiates the tranquil charm and romance of the bush, yet has contemporary amenities? The Railway Barracks offers the rare appeal of a rustic, authentic train carriage and its own platform.

When you hire the Railway Barracks you will have exclusive use of the entire property, including all bedrooms, bathrooms, kitchen, hall, dining room, deck and gardens.

Located approximately 1 hour from Canberra, or 2 hours from Sydney, this venue sits comfortably in the rural Southern Tablelands of NSW in Goulburn - a proud historic town thriving with museums, festivals, restaurants and galleries.

The Railway Barracks is unique and is the complete package. It has special features and genuine character than alternative rural wedding venues, at a fraction of the price.

You have full flexibility in planning your wedding event, either by using the hall for your ceremony or reception alone, or by using it for both.

Your booking at the Barracks will include:

- Exclusive use of the entire property, including all bedrooms, bathrooms, kitchen, hall, dining room, deck and gardens.
- Accommodation for up to 44 people in a combination of bunk, twin and double rooms.
- Bed linen.
- A function hall suitable for dining up to 70 – 90 guests (depending on table configuration), plus an additional dining room which can comfortably hold a further 36 guests.
- Use of the ceiling mounted projector and drop-down screen.
- Use of Apple TV.
- LED strip coloured lighting to provide ambiance to the main hall, train carriage, and gardens.
- Access to the SONOS speaker system using the Sonos App on your mobile phone / iPad.
